MONTHLY GENERAL MEETING

The speakers for the September meeting will be Bob Edwards and Charles Castle, who will be speaking about copyright. This is a subject of great importance to us all. So come and hear all about it.

And please don't forget to bring along some show and tell. Hope to see you all there.

START TIME IS: 7PM

Presidents Report

Again congratulation to Bruce Hensell receiving a life membership to the club for 7 years of service to the club. Photo on Page 2 of newsletter.

Thank you for the vote of thanks at the annual meeting voting me president for the next year. Like any group the strength of the group is all the members who join together to support the club in the many areas.

There are 2 positions on committee still vacant, if you are interested please speak to one of the committee members about joining in. Thanks to Austin Polley and Richard Fyffe for serving on the committee for 2 years. Richard will continue to look after the website for the club.

There are a number of free times on the weekly groups calendar. If you have an idea of a group you think could be run let me know, a group could start with as little as 3 members.

Christmas lunch is on Saturday November 25th at Box Hill Golf club. More info in this newsletter

You will have seen at the entrance of the club Allan Way & his helpers have been busy cutting up pieces of timber for the bird boxes on Australia day Thanks crew. A sign up sheet will be up in a few month time.

Phillip Island woodturning weekend is on Sept 8-10

Emergency stop switches will be installed at each end of the room for emergency stop of all machines. This will continue to improve the safety of all members

The next committee meeting will include the group leaders next month. Any feedback or action you would like, speak to your group leader.

The Toy group is going to meet on the first Tuesday of the month instead of each week due to lack of community groups sourcing the finished toy kits

We have 95 members at moment with a few more still to pay

Replacing the belt on the sander is completed as per picture on page 2, there will be instructions opposite the sander to help. Thanks Charles for clearing this up.

Happy woodworking John Paine

Congratulations to Bruce Hensell

Woodcraft Manningham's newest life member

This news was announced at our Annual meeting 1st August

In recognition for service to the club over a period of 17 years

During this time Bruce has been committee member then president for 7 years

Bruce worked tirelessly breaking down the barriers of the different groups in the club, promoting the club and so many things that went unseen.

Many members would also have had a call while not well.

On your behalf I thanked Bruce for all the extra work above and beyond!!

President John Paine

Above Bruce Hensell with his life time membership award

Above Sander with instructions attached to exhaust vent.
