

Welcome to Woodcraft Manningham

Welcome to Woodcraft Manningham. We are a group of like-minded people who really enjoy producing beautiful objects from rare and exotic timber.

We meet in an old brick schoolhouse in the heart of Templestowe Village. It is fully equipped with machines and hand tools to enable us to pursue woodturning, box making, carving and scroll sawing. There are groups available in both daytime hours and the evening in most disciplines. This way we endeavour to provide people with convenient meeting times to suit all needs.

As Group Leaders become available, we add new activities. You are cordially invited to join us, learn new skills and produce hand made items that make prized ornaments and useful gifts for friends and family.

We also involve ourselves in various festivals to demonstrate our skills and sell our produce, as well as teach children how to make simple objects such as bird boxes. Our monthly general meetings involve interesting guest speakers, tool demonstrations, show and tell, buy swap and sell and a generous supper.

Come along to any group meeting to see how we operate, meet group leaders and discuss your interests. We will enrol you into the best group to suit your needs.
