

## Woodworking Club Come in and say hello

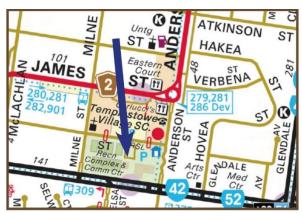

Woodturning Carving
Box making Toy making
www.woodcraft-manningham.org.au

## We welcome new members

Woodcraft Manningham is a group of likeminded men & women, who really enjoy producing beautiful objects from timber. We meet in an old brick schoolhouse in the heart of Templestowe village. It is fully equipped with machines & hand tools to enable us to pursue woodturning, box making carving & Toymaking

We are always interested in starting new woodwork groups. If you have an idea talk to us. You could even run it with our help.
